\*\*If you have only one rental property and you personally do part, or all, of the necessary repairs and maintenance on the property, you may deduct reasonable expenses. If you have two or more rental properties, you may also deduct your vehicle expenses when you collect rents, supervise repairs and manage the properties.

Motor vehicle expenses (must provide milage records\*\*)

Capital assets (such as appliances, furniture, and renovation)

| Item            | Purchase date (YYYY/MM/DD) | Purchase price (CAD)          |
|-----------------|----------------------------|-------------------------------|
| For example: TV | 2021/05/30                 | \$ 1130.00 (GST/HST included) |
|                 |                            |                               |
|                 |                            |                               |
|                 |                            |                               |
|                 |                            |                               |
|                 |                            |                               |
|                 |                            |                               |
|                 |                            |                               |
